FOOTBALL

The Rock Springs High School Tigers ended the 1942 season with high hopes for a most successful season in 1943, but fate dealt a hard blow to optimistic plans. The loss of Don Pettigrew, Ed Kruljac, Nick Pritza, Eddie Zueck, and Pete Mirich was keenly felt. These would-be seniors are now serving in the armed forces of our country. Jim Lawson, Keiji Okano, and Ted Peterson were the only three lettermen to return this season. Minor injuries also prevented a few players from participating in some of the games.

The Tigers played their outstanding game against Cheyenne, only to have a victory slip through their grasp when the Indians caught a long pass and carried the ball over the goal line. This was the only touchdown made throughout the game.

Coach Engstrom and Assistant Coach Melchar were untiring in their efforts to build a good team and to promote good sportsmanship and clean playing. This year nineteen boys received school sweaters. Most of these were absolutely new recruits. The team was the lightest major squad in the state. They also carried the least weight of any grid team that had ever defended the Tiger goal line.

Although the Tigers' record for the season was two games won, one game tied, and five games lost, we still feel a proud loyalty for our 1943 grid team.

B A S K E T B A L L

The Tigers began the basketball season with a major setback—the loss of Ted Peterson and Norman Buchan. With these two veteran players went much of the height and experience necessary for a championship team. This left only one letterman, Bob Sprowell, to lead the inexperienced hoopmen through the rough and tumble season.

The team broke almost even with ten wins and fourteen losses. Many of these fourteen games were lost by one or two points. A twenty-four game schedule is a difficult and crowded one, the average schedule having only eighteen games. However, all members of the squad kept training and came to practice faithfully, which kept them in good condition for every game.

In the annual district tournament the Tigers were off to a good start when they defeated the Reliance Pirates 37-13. However, their second game was definitely the hard luck game of the season, when a fast-moving Superior quintet spilled the Tigers with a 35-23 score. In order to play Green River in the finals, they beat Evanston 55-25, only to lose to the Wolves in a hard-fought game which ended 25-24, another one-point defeat. Their two victories earned the fourth place cup. Bob Sprowell's keen floor play and long shots placed him on the All-District Team. This was the first year in the last thirteen in which the Tigers weren't playing in the championship game. Rock Springs has taken the first place trophy for all but three of these years, in which cases they finished in runner-up position.

Coaches Engstrom and Melchar will have a complete squad of experienced ball-hawkers next year to carry high the Rock Springs Tigers' victory banner.

Board of Control

ANNUAL STAFF

Memories of social activities, scholastic and athletic achievements, and different phases of school life—those are the things that the annual tries to present for the enjoyment of each Rock Springs High School student.

In order to accomplish this purpose, an annual staff was chosen by the class officers at the beginning of the year. The staff was composed of a group of seniors who conceived, planned, wrote, and assembled the yearbook. The editor-in-chief, Nancy Robinson, and her assistant, John Chenchar, assigned the jobs, allotted space, wrote articles, corrected copy, and made up the "dummy" annual. The others of the staff each had charge of a specific part of the annual. Louis Pol was responsible for classes and Hilda Roccabruna for activities; George Apostolos was business manager; Evan Reese, photographer; and Mary Nakako, typist.

However, all this work would have been worthless if it had not been for the members of the advertising staff, who worked hard trying to secure advertisements for the annual in order to obtain enough money with which to publish a yearbook. This group included Flora Flaim, Tessie Hudachko, Ruth Kirby, and Arlene Pivik.

Thus, the efforts of a number of people make it possible for each student to relive school life and meet old friends years afterwards through the medium of the school annual, the *Sagebrusher*.

BOARD OF CONTROL

In the spring of each year the student body elects a Board of Control. By popular vote a member is placed at the head of each council. These councils are connected with every phase of school life. This year there were two additions to the Board, the Publicity Council and a *Sagebrusher* Reporter.

Each year the Board of Control undertakes a new project. Their project this year was to increase good sportsmanship. The 1943-44 basketball season was bettered in every way by these determined boosters. Letters were sent to the high schools throughout southwestern Wyoming as well as to our own junior high and grade schools. They requested cooperation in promoting good sportsmanship at the basketball games. Monitors were chosen to enforce these precepts, but so splendid was the cooperation that the monitors' tasks were few. Better entertainment at half-times was arranged by the Athletic Council in an effort to encourage the audience to remain seated during that period. The Publicity Council made posters that were placed throughout the school. They asked for the full support of every student of Rock Springs High School.

Each member of the Board of Control is given an opportunity to lead a group in its specific activities. It is the desire of Miss Agnew, the faculty advisor, that the experience in leadership gained by each individual will be of use in the future, and that the welfare of our entire school will be improved through the efforts of the Board.

Pep Club

GROS VENTRE

This year the class of '44 has added seventeen names to the National Gros Ventre Honor Society. The members are chosen on the basis of scholarship, leadership, service, and character.

Faculty members, working as a committee, select from the upper twenty-five per cent of the senior class, persons who they believe have successfully met all of the requirements of this organization. These persons are then given a small pin which bears a torch, the symbol of knowledge.

But this society is not limited only to the graduating class. Each year two freshmen, a boy and a girl, are awarded a pin for their scholastic achievements. These awards are made because of the importance placed upon the encouragement of scholarship among the younger groups in high school.

This does not mean, however, that in our high school recognition is given only to those who have proved their scholarship to be high in their freshman and senior years. Throughout all four years of his high school career, the student may secure a place on the school's honor rolls provided his grades meet the standard requirements. In this way he can earn final entrance into the honor society of our high school.

The newly elected members from the class of '44 are a worthy addition to the National Gros Ventre Honor Society, membership in which is of the highest rank in high school achievement.

PEP CLUB

The most colorful and enthusiastic group of rooters to be seen at football and basketball games is the Pep Club. This organization, which was started several years ago, is one of the outstanding activities in our school, its purpose being to promote school spirit.

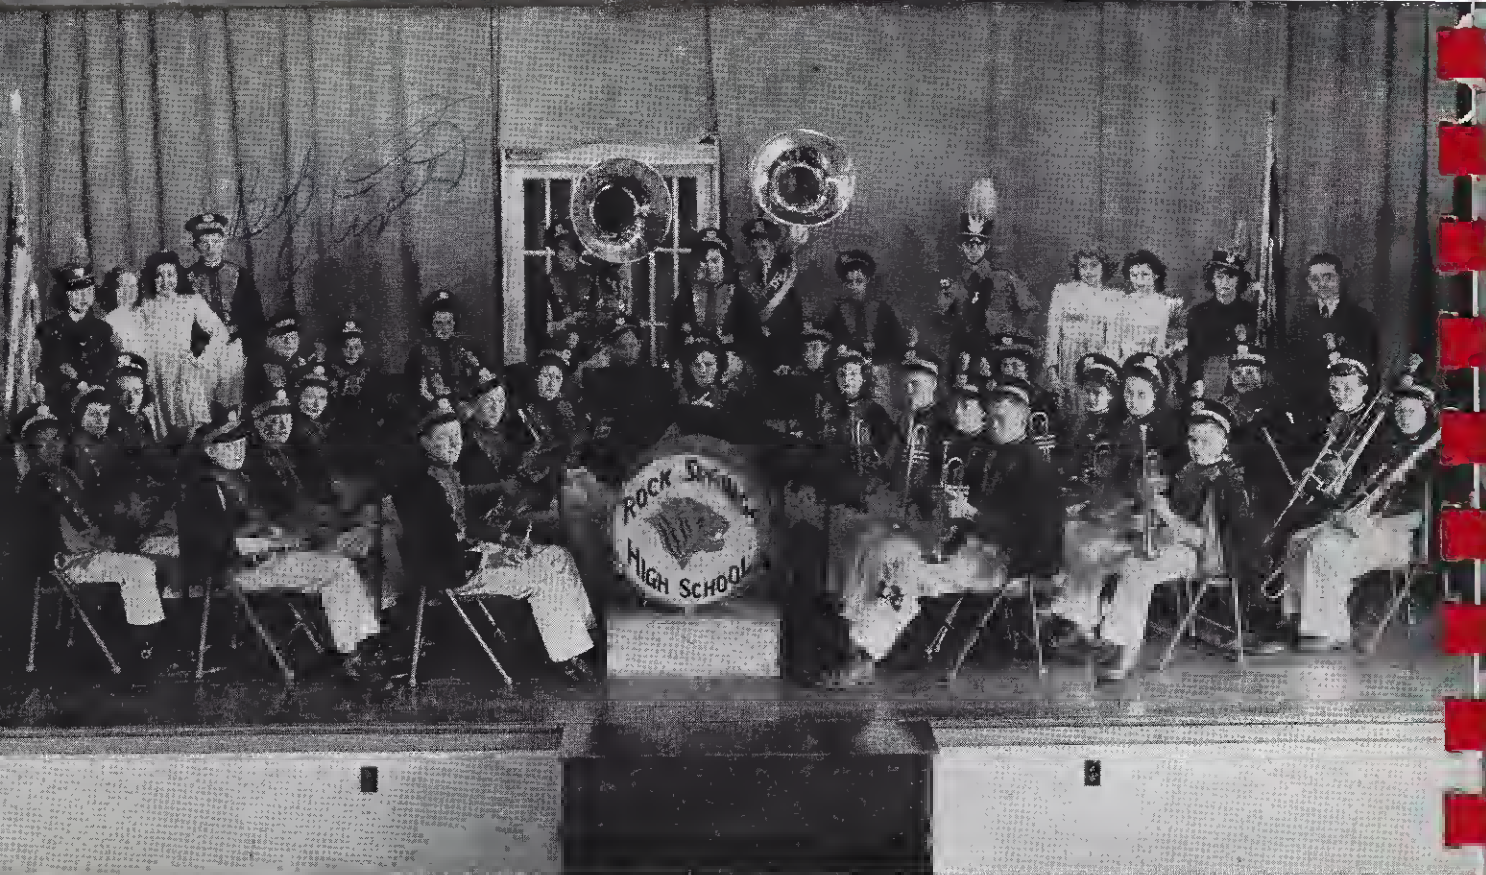

The president of the Pep Club is Lucille Taucher. Her faculty advisors are Miss Lewis and Miss Wemett.

Girls wishing to get into the Pep Club must live up to certain requirements. These requirements include being present at all meetings, attending all games, and being willing to help with various projects whenever asked.

Seven girls were chosen from this group of pepsters because of their ability in cheerleading and leadership. Although the entire Pep Club was in most cases unable to attend games other than those on our own home court, the cheerleaders did follow our team to various nearby towns and there led the Tiger fans enthusiastically.

The Pep Club's chief undertaking this year was earning money for the purchase of orange and black uniforms for the members of the organization. The necessary amount was earned by selling tickets to the all-school play.

The club has also presented stunts at games and assemblies and has given us many new yells and songs which added zest to our cheering section. This group of sixty girls, with the seven cheerleaders, has worked very hard this year and deserves much credit.

First row—Randolph, Murray, Gerrard. Second row—Yugovich, Oblock, Rosa, Nightingale, Bohn, Crookston. Third row—Deru, E. Decora, Dona, Eisler, Shubert. Fourth row—Miller, A. Decora, Overy, Petrie, Allen. Fifth row—Odorizzi, Schultz, Ronchetti, Woolston. Sixth row—Zupence, Steinhour, Martin. Back row—Hansen, Johnson, Dorrence, Oliver, Herd, Anselmi, Fearn, Skordas, Oremland, Bailey, McGarvey, Aguirre, Mr. Cummings, band director.

*this is me! (singing)
lots of luck
Andy Decora.*

B A N D

During the past years the Rock Springs High School Band has maintained a high position as one of the finest musical aggregations in the state of Wyoming and has won high honors in state and regional competitive tournaments. This year, however, because of war-time restrictions, the band was unable to repeat its sterling performances before music critics at the music festivals.

As is the case in many activities of the school, the band's personnel has also been greatly decreased by the demand for men to serve with our armed forces. Although their number has been reduced, their quality has still been maintained.

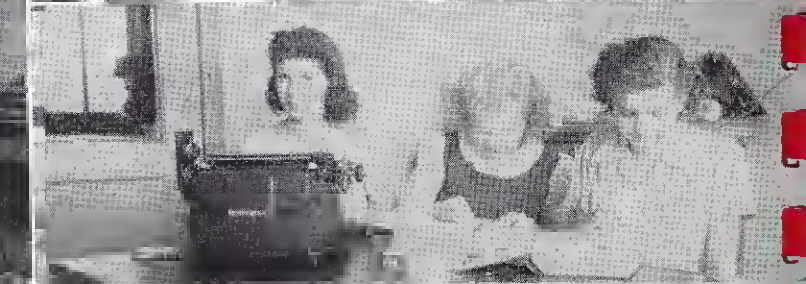

Under the direction of such a capable leader as Mr. Russell Cummings, the band has been one of the contributing factors toward the promotion of school-spirit. Between the halves of our football and basketball games they have displayed their fine marching ability by systematically producing emblems of our school and of the visiting teams. They have always shown the utmost courtesy to our athletic competitors by playing their school songs as well as our own.

In order to display its talent, the band has given several concerts before an appreciative high school audience. Some of its members have worked together in duets and trios so that additional entertainment may be given at such performances.

"Practice makes perfect" is the only set rule whereby our band is governed. For an hour and ten minutes of each school day the members are constantly striving for perfection in their musical scores.

Yes, our band is an organization of which we can well be proud.
